WHEN YOU WRITE A STORY

Tips for Developing the Plot:

- ✓ Good writers plan and develop their story's characters, setting, and plot
- ✓ Developing your main character and the setting
- ✓ Decide what problem or conflict your main character will attempt to solve.
- ✓ Outline the main events of the plot.
- ✓ Think of any clues or twists you want to include in the plot.

1. frog
2. princess
kisses frog
- 3.

- ✓ Think about how to show, rather than tell, the events in your story.
- ✓ How will the final resolution of the problem or conflict occur?
